PRINCIPAL'S REPORT

Welcome to the start of the 2019 school year. A special mention to our new students and their families - especially to our Year 8 students who have joined us for the beginning of their secondary schooling journey.

We also welcome **Amy Evans** (Director of Student Inclusion) who returns to us from leave, and a number of new staff members to our team:

Alistair Ward (Student Engagement – Flo), **Luke Soltes** (Tech and Maths), **Nathan Rohrlach** (Geography, History, English), **Lori Sandland** (who taught a little in Flo later last year, and is now teaching Maths, Science and HPE), **Martine Turnbull** (Aboriginal Education Teacher) who will be working across both Renmark HS and Renmark PS, **Erin Rossack** and **Rhett Colls** (Youth Workers) now working for RHS, and **Carli Burnnard** who is now in Student Services full time. Please take the opportunity to meet these new staff and catch up with familiar faces at our Meet the Teacher night on Monday 11th Feb 6-7pm.

In the holidays our new STEM spaces have been finished and they look fantastic. Some of our new furniture has been delivered (including new computers in E Block) and more is on its way. You will be able to see these new spaces in their splendour at the Meet the Teacher night. The Departments \$5 million Capital Works program is in the planning stages and we are expecting a meeting with the architects in the next couple of weeks to discuss our plans (including air conditioning).

I hope to see you next Monday night,

Mat Evans Principal

Renmark High School Governing Council AGM

13th February 2019
7.00 pm in the Library

Have you considered how you could contribute to the ongoing governance and future development of Renmark High School?

We have some exciting opportunities open on our
Governing Council.

RHS is seeking new parent members for this important committee in 2019 due to the retirement of a number of long standing members.

It's a great way to meet new people, develop new skills and contribute to the future of your school.

Your important role on Governing Council would be to attend meetings and work with the site leader to involve the local community, setting the broad direction and vision of the site, to monitor and review the site improvement plan, approve the budget, approve school closures and to develop and approve policies.

Meetings are held twice a term usually on a Wednesday from 7 – 9pm

To find out more, please email Tracey.Chapman725@schools.sa.edu.au
or speak to one of our current parent members listed below

Scerina Rasheed | David Sims | Tania Shaw | Merridy Crook | John Gardner | Simon Vause

RENMARK HIGH SCHOOL

Newsletter

Renmark High School Meet the Teachers Night

When: Monday 11th Feb 6—7pm
Where: Renmark High School STEM Space
How: Follow the Balloons from Reception

6.10pm: Principals Welcome/Teacher Introductions
6.30pm: Explore new STEM space
6.45pm: Light supper and explore new ART space
7.00pm: Finish

DAYMAP access:

Unfortunately our DAYMAP service provider is experiencing some technical difficulties which are affecting the ability of parents to be able to log on and see details of new students (including year 8's) in DAYMAP schools.

DAYMAP have been working to solve these issues and will let the school know when they are resolved, we will then post on Facebook to let parents know.

We apologise for any confusion this has caused.

HOST FAMILIES 2019

Curious about what it takes to become a host family? All you need is a spare bed, an open heart and a desire to be an involved and active family!

Renmark High School has a long history of welcoming international students to our school and region with the benefits of these experiences for our students and families long lasting.

We are looking for host families for our visiting students from Japan (week-long stay in Term 3), as well as students on short term exchanges from countries like, France, USA, Germany, Denmark and many more!

Please contact Mrs Tassios at the school for more information!

Learning Improvement @ RHS

This year our school has launched a new Site Improvement Plan with 2 key learning goals:

- **TO IMPROVE STUDENT ACHIEVEMENT IN READING**
- **TO IMPROVE STUDENT ACHIEVEMENT IN NUMERACY**

We will know we are successful when:

- *Students able to describe themselves as a reader (strengths and areas to improve), can articulate their improvement opportunities, describe comprehension, set themselves a reading SMART goal and describe the steps they can take to reach their goal.*
- *Students have the belief they can be powerful learners/users of mathematics, are able to identify the numeracy demands of each subject and transfer their numerical knowledge and problem solving skills across all Learning Areas.*

We look forward to celebrating these successes with our students and school community!

All Parents and Caregivers are encouraged to follow their student progress on Daymap, where teachers will provide feedback on student assessment tasks, including steps which students can take to improve their achievement. Please find the Daymap details on the last page of this Newsletter.

Course outlines for each subject will be available on Daymap from Friday of Week 2 (February 8th).

Kirrallee Baldock — Director of Learning Improvement

Coming SOON!!! New format online Newsletter

We are really excited to inform you that we will be producing a new eNewsletter format with [Schoolzine](#).

The purpose of moving to this new format is to engage the school community more effectively and provide parents, students and the community with a more effective and content rich newsletter format.

This new format will include videos, image galleries, online bookings, feedback forms, calendars, an app and much more.

The first of our fortnightly editions will be published Tuesday 26th February and will be delivered directly to the email address that we have on file for you—with an opt out option if you prefer not to receive more.

Schoolzine also has a Parents App—with more information to be presented at our Meet the Teachers night on Monday 11th Feb

If you would prefer to receive a hard copy please fill in and return the slip on the front page of this Newsletter and return to your students caregroup teacher by Monday 18th February.

SENIOR SCHOOL NEWS

Renmark High School Success 2018

Eleni Panayiaris

Kiriakoula Belehris

Jess Matulick

Annie-Rose
Marafioti

Irene Kritikos

During the school holidays we received the results for our Year 12 students from last year. We had some outstanding personal scores and overall a number of highlights.

Huge congratulations to Eleni Panayiaris and Kiriakoula Belehris who topped the school with scores of 97.25 and 95.20 respectively. Other students to score above 90 were Jess Matulick 93.95 and Annie-Rose Marafioti with 90.75. Another nine students scored over 80 for their ATAR.

Irene Kritikos received a Merit for her work in Communications Products (Digital Media) and both Irene and Mrs Jodi Long are to be congratulated on this outstanding effort.

Twenty nine students have applied for University this year and of these, twenty five have received their first choice preference. These courses cover a range of disciplines including Law, Nursing, Psychology, Dentistry, Physiotherapy, Optometry, Business and Commerce, Environmental Science, Design and Media, Speech Pathology, Teaching, Health and Medical Sciences, Engineering and the Arts. As you can see there are a varied number of disciplines listed. A number of our students have also been employed in the local area in apprenticeships and traineeships.

Renmark High is very proud of both our staff and students and their commitment to their studies.

Our staff will continue to build on these successes and provide the best possible learning environment for all of our students in 2019. We can't wait to see the results of this year's 2019 Year 12 students. We wish the exiting 2018 students all the best for their future as they move into the next phase of their lives and would love them to visit us and let us know of their adventures.

Marina Pater

Director of Organisational Operations

Newsletter

Inspiring words from Pammy

A huge welcome to all the new families and new students to Renmark High...I do hope week one has been a wonderful time for everyone, but particularly for our Year 8's.

On day one I handed out the small little welcome pack to our new students, and then during the week I have spoken to quite a few of our year 8 students and they all appear to be enjoying their lessons and meeting their teachers. So good to see them smiling and happy.

Also welcome back to everyone else who are returning ready for a brand new year.

Its Friday morning (I don't work Fridays so I am at home) and the sun is shining (as usual) and thankfully its not outrageously hot today - I hope everyone is coping with the hot, hot, hot

weather.... thankfully the weather will be a bit kinder this week for our Year 8 camp. I have been so looking forward to the camp and know (because of previous camps) that the students will have a wonderful time really getting to know each other better and "having a go" at all the activities which will be happening. Knee boarding, skiing, wind surfing, kayaking, sailing and then back to camp for more fun

activities. Our staff have really excelled in organising this great camp. I will be swagging it on the lawn and enjoying Camp Kedron and Lake Bonney at night and all it has to offer. When you read this newsletter I believe camp will be over, with some great memories made which you will hear lots more about it during the week.

Be kind to each other and remember a smile is such a lovely thing sokeep smiling. Cheers Pammy : your PCW.

SAVE THE DATE

Are you passionate about coding or languages?

Then, the Australian Computational and Linguistics Olympiad is for you!

OzCLO is a contest for high school students. It challenges them to develop their own strategies for solving problems in fascinating real languages. The program is designed for high school students from

Year 8- 12.

OzCLO 2019 Competition

Regional round: Held at Renmark High School **Wednesday 13 March 2019**

National round: Held at Adelaide University **Wednesday 27 March 2019**

Yongin, Korea has been chosen as the host of the 17th International Linguistics Olympiad on July 29-August 2, 2019.

If you are interested in participating in the 2019 competition, get your friends together and sign up!

In the meantime, go online and try some sample questions!

CORES Riverland

COmmunity Response to Eliminating Suicide

ONE DAY SUICIDE Intervention Course at BERRI LIBRARY MONDAY FEBRUARY 18th 2019

Imagine these faces to be family, friends, neighbours or work colleagues.
Can you pick which one is having troubling thoughts? Would you know?
If you did suspect something, could you deal with it?

Family and community members are increasingly coming under pressure, which may be related to emotional situations, finances, work, or it may be caused by a personal event that has devastating effects.

What happens if a person can't cope ... will someone be there for them?

This ONE DAY CORES COURSE will give you the skills and confidence to recognise then assess a person who may be at risk of self harm or suicide.

Venue **Berri Library conference room**
Cost **Free** to people who live and in the Riverland
Time **9am to 4pm**
Contact Val Fewster 85821882 0466278511
val.fewster@bigpond.com
Please book for numbers
Please bring your lunch , morning tea will be provided.

People don't have to suffer, and we don't have to lose them!

STUDENT SERVICES: KEY PARENT INFORMATION

CONTACT DETAILS

Having correct contact information on file is very important to contact families regarding their child in emergencies.

Important information may include:

- Current phone number including mobile
- Current postal and residential address
- Email address if applicable
- Emergency person and their contact details
- Changes to custody arrangement or family circumstances

Please contact Carli at Student Services on 85866 974 to notify of any changes

STUDENT ABSENCES

If your child is absent for any reason, please inform the care group teacher with a note

In their diary prior to the event, or notify the school as early as possible on the day.

We send text messages to mobiles informing parents of unexplained absences. If your child is sick or away for a family reason please inform the school. Attendance records are an important legal document. Student's success in learning and social relationships are strongly influenced by their consistent attendance.

Students who are away for any reason other than illness for more than 3 days require an exemption form to be completed by a parent and approved by the Principal. Exemption forms are available at reception or please contact us for an electronic copy. We require these prior to extended leave.

STUDENT MEDICAL INFORMATION

Student Services are currently in the process of updating student medical information for the 2019 school year.

All student Health Care Plans need to be updated every 12 months unless otherwise stated by a doctor.

Emails and letters will also be going home shortly to parents of students who have medication stored at the school. This will be to let you know your student's medication is out of date or soon to expire. We ask if parents could please replace any out of date medication as soon as practical.

Medication Authority Forms are to be completed and signed by a doctor prior to medication being administered at school.

If you have any queries, please don't hesitate to contact Carli in Student Services on 85 886 6974.

PLEASE ASSIST US!

We enjoy seeing your child at school however we appreciate that students may be absent from school from time to time due to sickness, appointments or other family reasons.

Please assist us by phoning our Student Services office on 8586 6974 before 9:30am to advise if your child is unable to attend school. If they have a planned absence, please let us know before the day by phoning or sending a note with the student.

Students who are absent without reason will have a SMS message sent home to inform parents/caregivers.

Thank you for your cooperation,

Student Services Office

* Unapproved absences will affect your child's attendance rate on their reports *

DID YOU KNOW? Missing just 2 days a month of school means your child is missing 10% of the school year?

ATTEND TODAY, ACHIEVE TOMORROW!

Making Friends at Camp

As the final element of their transition to high school, all the Year 8 Students participated in a two-day camp in Barmera. They participated in a range of group activities, getting to know their peers. All students also spent half a day on the lake learning new aquatic skills. They skied, kayaked, wind surfed and sailed. Many students embraced this opportunity to learn new skills, in activities they hadn't tried before.

'We loved the new experiences and it was a great way to meet all the new Year 8s, the teachers made sure we all cooperated and we have built some great relationships.' Georgia, Charlize, Maddi, Hadlee.

Camp was really energetic and I enjoyed getting out there and mingling. There were so many fun activities to do, there was no chance of being bored' Keysha

'Camp was really all about getting outside and being active, I had a chance to build up some friendships'
Alan

Attendance at School is our Shared Responsibility: Department of Education

As the school year have started, it is very important for parents and school to share the responsibility of student's attendance from the start. A number of articles were published in school newsletter last year emphasising the importance of your children importance in their education. Here is the summery of things covered in those letters.

1. As early as preschool, regular absence can be a predictor of later attendance patterns. Even missing one day a week of school from reception to year 10 adds up to missing 2 years and 1 term of schooling. Long-term studies have shown that not completing school can be linked with poor physical and mental health, poverty and involvement with the criminal justice system.
2. Absenteeism due to reasons like staying away to celebrate their own or a sibling's birthday; being absent because they stayed up too late watching television; going shopping for clothes; an extended long weekend; and children not wanting take part in a sports day or special school event sends a strong message to a child that their parents don't really value learning or their children's school experiences.

Through the newsletter we shared that missing a few minutes each day may not seem like a big deal but your child may be missing more than you realise if he or she is continuously late.

Just a little bit late doesn't seem much but.....

He/ She is only missing just....	That equals....	Which is.....	and over 13 years of schooling that's...
10 minutes per day	50 minutes per week	Nearly 1.5 weeks per year	Nearly <u>Half a year</u>
20 minutes per day	1 hour 40 mins per week	Over 2.5 Weeks per year	Nearly <u>1 year</u>
Half an hour per day	Half a day per week	4 Weeks per Year	Nearly <u>1 and a Half years</u>
1 hour per day	1 day per week	8 Weeks per year	Over <u>2 and a Half years</u>

It is acceptable for a child to miss school when:

- they are too sick to leave the house
- they have an infectious illness such as gastroenteritis, chicken pox or measles
- they need to attend medical or dental appointments that could not be made out of school hours
- they have been granted an exemption from school
- they have been sent home or suspended from school for disciplinary reasons
- the school principal is given a genuine reason that prevents the child from attending school.

If a student is absent due to reported illness for 3 or more consecutive days, the principal can ask for a medical certificate. As parents we need to make a commitment that our child makes the most of their precious time at school. That means that we send them to school every day, on time and ready to make the most of the school day.

Of course, there will be times, such as illness or genuinely extenuating family circumstances, when a child may stay away. But these need to be a rarity rather than the norm. It's reassuring to know that you increase their chances of future success just by making sure they turn up to school every day.
