Edunet partners with iBroker for all Education Insurance. We are authorised to repair Lenovo insurance jobs with iBroker, enabling us to ensure your students device is repaired as fast as humanly possible.

Important to Know!

You may be able to insure your device through your Home and Contents Insurance. Before you make a decision, please check and be mindful of the below points:

- Home and Contents Insurance excess's is usually upwards of \$500, iBroker's excess is significantly lower.
- Some Home and Contents Insurance companies require you to send the device to their repairer. This will mean you may not get your laptop back for a long period of time.

Edunet provide onsite support through iBroker and can repair your student's device at the school or at your house if it's during school holidays.

Upfront Payment

Edunet provides two options for upfront payment through the portal. Firstly, parents can choose to pay by VISA or Mastercard, all credit card payments incur a 1.5% surcharge.

The second option is to direct deposit the full amount into our bank account. There is no charge for doing this. Parents can make the transfer via their online banking or go directly to a Commonwealth Bank branch and deposit there.

Payment Plan

What you do pay:

- \$99 Account Setup Fee (if you already have an account you don't pay this)
- \$6.00 Monthly Account Fee, only while there's a balance left.
- Standard credit card interest ONLY on residual amount after 12 months.

One of the main benefits of our finance option is that you own the device from the moment you take possession of it.

We do not increase the cost of the purchase if you select finance!

You will also not be charged extra for paying the loan off before the 12-month period. Zip also takes into consideration if you work part time or receive assistance payments from Centerlink in their approval process.
